

2024 Kids Helping Kids

October 1-31, 2024

Kids Helping Kids is an anti-hunger campaign to engage students in Montgomery County schools to raise food and funds for their peers facing food insecurity across the county.

This food drive teaches children valuable lessons about hunger, engages students in giving, and shows children that they have the power to make a difference in their community!

Help us continue our mission to share food resources with hungry children in Montgomery County.
