Programmatic Updates

A few notes about invoice submissions and Manna's payment system changes.

1. Manna has transitioned to a new payment system. **If you have not already submitted an ACH deposit form to reggie@mannafood.org, please do so ASAP to enable direct deposit. If no action is taken, you will receive physical checks via mail.**
2. All F2FB invoices need to be submitted to annarose@mannafood.org by **the 1st of each month**. For example, all August invoices are due by September 1st. **It is highly preferred that you submit an individual invoice for each delivery on the day that the food is delivered.**
3. Manna only operates payment windows on a 15 or 30 day basis. **The payment window begins when your invoice is submitted, not the day the delivery was made.** For example, if a delivery occurs on August 1st and you list the payment window as 15 days, but you do not submit the invoice until August 31st, your payment will be remitted 15 days after August 31st.

Connecting Farms & FAPs

One of the positive outcomes of Farm to Food Bank is the strengthening of relationships between farmers and food assistance providers. In an effort to match **Passion to Seed Gardening** offers this growing season with an organization close to Tanya's farm, **Church of the Redeemer (COR)** came up as an option. When Tanya heard about this matching opportunity, she was delighted to share that COR is her congregation. Throughout this Summer, Tanya has been delivering the food she grows to COR for their Manna satellite distribution.
